

Anthony Wohl retired, after almost 40 years at Vassar, at the end of the academic year, 2001-2002.

He did his undergraduate work at Jesus College, Cambridge University, England and received his B.A. (Hons.) degree there in 1958. He then came across to do graduate work at Brown University, and received his Ph.D. there in 1966. He and Judy, his wife, now divide their time between Ipswich, MA and Poughkeepsie. He would be delighted to hear from his former students. He often wonders how "life after Vassar" has been for you. Do let him know.
